linea Ibridi & Selezioni Speciali

HYBRID & SPECIAL

La linea **Hybrid & Special** si compone di circa **90** referenze di sementi orticole di alta qualità, suddivise in **Varietà Ibride e Selezioni Speciali**. Tutta la qualità del seme professionale in confezioni appositamente studiate per l'uso amatoriale. Le selezioni più apprezzate a livello internazionale ma anche **varietà di nostra esclusiva costituzione**, ideali per ottenere il massimo dal vostro orto. **Tutte le referenze sono vendute in portabuste da 15 pezzi.**
